

ADELINE PASCAL

Motion Graphics Designer – Video Editor

My passion for visual creation and storytelling has led me to become a Motion Graphics designer and video editor, creating captivating videos from start to finish to help my clients convey their messages or explain their products.

Work experience

Freelance Motion Graphic Designer and video editor 2018
Present

I'm helping companies and individuals to showcase their product, their solutions or their expertise.

From the brief to the rendering of the video, through the storyboard, graphic design and animation.

Clients: Alvédia, Santé Académie, Fiducial, Proccycling Map, Studio Fly, 20STM, Ford, XPO Logistics, Small Stories Studio, and others
